

## EPFC special workshop 2019

### Reproduction of European Pikeperch

**Scope:** This five-day workshop shall provide hands-on practical training on all relevant aspects in relation to reproduction of European pikeperch (*Sander lucioperca*). Organized and hosted by Stefan Teerlinck (Inagro) and taught by skilled experts Daniel Źarski (UWM) and Uros Ljubobratović (NARIC) this workshop will combine theoretical and practical classes from induction of reproduction to egg quality assessment. After this workshop, participants will be able to improve and standardize their own reproduction on farm level.

**Venue:** Inagro vzw  
 Ieperseweg 87  
 8800 Rumbeke-Beitem  
 Belgium

**Date:** Monday - Friday, 16<sup>th</sup> - 20<sup>th</sup> September 2019

**Price:** 900 € (ex vat)  
 Registration price includes:  
 hotel (5 nights, incl. breakfast), some lunches, daily coffee breaks, transfers airport - hotel and transfers hotel - inagro during workshop

**Registration:** Limited to eight (8) participants in total!  
 Priority for companies and practitioners.  
**Deadline for registration is Friday 30<sup>th</sup> August 2018.**  
 Send an Email to [stefan.teerlinck@inagro.be](mailto:stefan.teerlinck@inagro.be) including your name, address, short motivation, professional background and invoicing details of your company.  
 Please indicate any special requirements (dietary, mobility).  
 You will receive a notification on the outcome of your application soon after this date. Afterwards we will invoice the workshop registration fee to your company. After successful invoicing, we will send a confirmation for your registration. Do not book any flights etc. before you have received the confirmation of your successful registration!

**Travel:** Travel to/from workshop venue needs to be arranged by yourself and workshop registration fee does not cover the price. Transfers from Brussels Airport to Roeselare can be arranged for Sunday 15<sup>th</sup> September.

**Contact:** Stefan Teerlinck

- Daniel Źarski, Institute of Animal Reproduction and Food Research, Polish Academy of Science, Olsztyn, Poland (danielzarski@interia.pl)
- Uroš Ljubobratović, Research Fellow, NARIC Fisheries and Aquaculture Institute HAKI, Szarvas, Hungary (u.ljubobratovic@gmail.com)

#### Agenda:

Time	Session	Type of class	Speaker
<b>Day 1 (16.09.)</b>			
9.00-9.45	<b>Welcome session</b>		Stefan Teerlinck
9.45-10.00	Coffee break		
10.00-12.15	<b>Controlled reproduction - definitions and principles</b>	<i>Theoretical</i>	Daniel Źarski
12.00-14.00	Lunch break		
14.00-17.00	<b>Control of oocyte stages, hormonal injection</b>	<i>Practical</i>	
<b>Day 2 (17.09.)</b>			
9.00-9.45	<b>Readiness for spawning</b>	<i>Theoretical</i>	Uros Ljubobratović
9.45-10.00	Coffee break		
10.00-12.15	<b>Percids gametes biology and quality evaluation</b>	<i>Theoretical</i>	Daniel Źarski
12.00-14.00	Lunch break		
14.00-17.00	<b>Control of ovulation</b>	<i>Practical</i>	
<b>Day 3 (18.09.)</b>			
9.00-10.30	<b>Egg treatment and incubation</b>	<i>Theoretical</i>	Uros Ljubobratović
10.30-11.00	Coffee break		
11.00-13.00	<b>Stripping the eggs, egg treatment, incubation</b>	<i>Practical</i>	Uros Ljubobratović
13.00-14.30	Lunch break		
14.30-18.00	<b>Stripping the eggs, egg treatment, incubation (continued)</b>	<i>Practical</i>	
<b>Day 4 (19.09.)</b>			
10.00-11.30	<b>Hatching and early larvae management</b>	<i>Theoretical</i>	Uros Ljubobratović
11.30-12.00	Coffee break		
12.00-13.00	<b>Evaluation of egg quality</b>	<i>Practical</i>	
13.00-14.30	Lunch break		
14.30-17.00	<b>Evaluation of egg quality (continued)</b>	<i>Practical</i>	
<b>Day 5 (20.09.)</b>			
9.00-10.30	<b>Discussion panel</b>	<i>Theoretical</i>	Daniel Źarski
10.30-11.00	Coffee break		
11.00-12.00	<b>Closing remarks</b>	<i>Theoretical</i>	Stefan Teerlinck
12.00-14.00	Good-bye lunch
